Green Fund Status Report

The UT-Austin Green Fund is dedicated to environmental services, projects and research at UT-Austin. The fee also serves as a way to get faculty, staff, and students more involved in creating a greener campus and raising awareness about sustainable practices.

Please use this Status Report template to help you record data from your project.

If you do not have results for a specific category, please explain why. Please attach additional reporting documents with this template.

EMAIL STATUS REPORT TO: GREENFUND@AUSTIN.UTEXAS.EDU

Project Name_____ **Primary Contact**_____

Date_____ **Email Address**_____

1 EMPLOYMENT

Have you employed students or paid staff/faculty with your Green Fund grant award? If students, how many new positions and how many individuals in these positions? (Example: one new position created; two individuals).

2 ACCOMPLISHMENTS TO DATE

How much of the project scope have you accomplished? What is left? When do you estimate completion?

3 SUCCESSES AND CHALLENGES

Briefly, what are your major successes and challenges to date?

4 PROJECT OUTCOMES TO DATE

List tangible and intangible project outcomes: physical deliverables, financial or other measurable savings, academic products such as papers, posters, workshops, and/or collaborations with other departments. (Not all of these apply to all projects!)
